INTRODUCTION

GLADES DAY SCHOOL asks that you share the pride and become a part of the tradition that is Glades Day School, the home of "The Fighting Gators."

The primary function of Glades Day School is to provide an equal educational opportunity for all students. Education cannot take place unless there is an atmosphere of good order and discipline described as the absence of distractions and disturbances, which interfere with the optimum functioning of the student, the class and/or the school.

This Handbook provides for recognition of the rights of the student, including the right to learn. It provides for the recognition of responsibilities of students in respect to the rights of others and in respect to the obligation of the school to provide the order necessary for meaningful and effective instruction and learning. The procedures outlined in the Handbook apply to all students at Glades Day. The Handbook is in force while every student is traveling to and from school, including, but not necessarily limited to, school-sponsored events, field trips, athletic functions, and other activities where appropriate administrators have jurisdiction over students. Additionally, the Head of School or her designee has the authority to take administrative action when a student's misconduct away from school is having, or could have, a detrimental effect on the other students or on the orderly education process.

ADMISSIONS

Admissions

Admission is open to any student who meets the academic, moral, and financial standards of Glades Day School. Glades Day School does not discriminate on the basis of race, color, ethnic status, national origin, or gender in admissions, educational programs, or other school programs and practices.

Admissions Process

The following must be submitted on the candidate's behalf prior to acceptance: a completed online application, an application fee, and documentation as noted in the online application on the Admissions page of the Glades Day School website. This documentation will provide the school with the applicant's most recent history of academics, behavior, and attendance. An interview with the applicant accompanied by a parent must be scheduled with the Director of Admissions.

New Student Acceptance

The acceptance of new students is determined by the Director of Admissions, the Head of School and additional members of the Administration. Their collective decision is based on the academic, behavioral, attendance, and special needs (if applicable) documentation provided by the parents.

Standards for Incoming Lower School Students

- All preschool students must be completely potty trained before starting school
- Three year olds must be three on or before September 1 to enter PreK-3
- Four year olds must be four on or before September 1 to enter PreK-4

Standards for Incoming Juniors and Seniors

Incoming juniors and seniors must meet the following requirements for admission:

- Must be transferring from a qualified and accredited public or private school

- Must have a cumulative core GPA of 2.0 or higher, prior to transferring

McKay Scholarship Students

GDS will only accept high performing students with IEPs or 504s (if applicable). Students that require intensive accommodations and modifications will not be accepted. Parents must disclose any and all cognitive limitations that might hinder their child's ability to function in a rigorous curriculum with high expectations. Our program is designed to challenge motivated students of good moral character who are in the middle to upper range of academic ability.

Parents must understand that if their child has an educational IEP or a 504 Plan for their child's academic program of study, GDS will only offer reasonable accommodations and modifications for their child. The school does not have the instructional staff to provide students with intensive accommodations and modifications to be successful. These noted limitations must be carefully considered by any parent who is considering GDS as an educational institution for their child.

Student Conduct

GDS has extremely high expectations related to student conduct. The school will not tolerate students who fail to obey the rules and regulations that govern a polite society. Infractions of the rules and regulations will be strictly enforced and continued infractions may result in immediate suspension or expulsion from GDS.

Please Note: These changes are reflective of current college points and other private/public schools.

*DE course, *Learning Strategies for Success*, will not receive the additional weighted point(s)

**Only in-house honors courses will be weighted an additional .5 point

Please note that this weighting is used to calculate HPA (Honors Point Average), but that not all colleges and universities keep this weighting when calculating GPA (Grade Point Average) for admissions determinations.

Glades Day School's GPA formula will apply for ranking.

The cumulative GPA is computed by semester, beginning with the completion of the 1st semester of the 9th grade year. The exception to this would be students who take Algebra I and/or Introduction to Physical Science (credit courses) during their 8th grade year. The GPA for these students begins in the 8th grade year.

ACADEMIC REQUIREMENTS

Lower School

For Kindergarten students, retention is based upon low academic performance, not meeting grade specific standards, and teacher/administrative recommendation. Students in 1st - 6th grade who fail two subject areas will be required to attend summer school at GDS or a summer program that is approved by the Administration prior to attendance. Students in 1st - 6th grade who fail three or more subject areas will be retained.

Middle School

- Grade 7: English, Math or Pre-Algebra, Life Science, Civics, Physical Education, Keyboarding
- Grade 8: English, Pre-Algebra or Algebra I, Earth Science or IPS, American History, Physical Education, Word Applications
- High School Credits: Algebra I and IPS are taken for high school credit and are computed into the student's GPA; students opting for these credits will still be responsible for four math credits and four science credits during their high school years.

If a 7th or 8th grade student fails the second semester in any class, he will have failed that course for the year. If the student fails two academic (core) subjects, he may be retained unless he remediates one course. In such case, he will be promoted to the next grade, but will repeat the one failed course the following year.

High School

Credits needed for graduation – 24 credits

Cumulative GPA needed for graduation – 2.0

If a high school student fails a course needed for graduation, the course must be remediated through GDS summer school or a program that is previously approved by the Administration.

Students may repeat a course taken in grades 9-12 for grade forgiveness if a grade of "D" or "F" is earned in the course.

Class Determination

A student's classification is determined as follows:

- Senior – 17 credits (11 being core)
- Junior – 13 credits (7 being core)
- Sophomore – 6 credits (3 being core)

Florida Virtual School (FLVS) Credits

The school uses the Virtual Learning Lab to teach Upper School foreign languages. All Upper School language credits will be honored and awarded credits by GDS. FLVS credits will be honored only in the following situations:

- Grade forgiveness – the credit is used to replace a low or failing grade (D or F only)
- Scheduling issue – if a graduation requirement cannot be met due to a scheduling conflict
- Educational enrichment – a desire to take an elective course as enrichment to the general program of study

These credits will not be substituted or take the place of credits needed for graduation from Glades Day School.

All FLVS credits will become part of the student’s transcript and cumulative grade point average (GPA) as per the agreement between FLVS and Glades Day School.

All students taking FLVS courses must have approval from their Guidance Counselor.

STUDENT SERVICES

Academic Testing

Information on the SAT and ACT is available in the Upper School Student Services Office or you may go online to apply for testing or get testing information at www.collegeboard.com for the SAT and www.act.org for the ACT.

During the school year, the Stanford Achievement Test is administered to Kindergarten – 11th grade students. This tool is used to evaluate the student's academic progress and allows us to place them in the appropriate class the following year.

Advanced Placement Courses

Glades Day School offers Advanced Placement courses in several subject areas beginning in ninth grade. These courses are designed to develop higher order critical thinking skills and are taught as college level courses.

Parental written permission must be given for a student's request for withdrawal from the class. Students enrolled must pay a \$100 fee that covers the mandatory national testing done at the completion of the course (this fee is non-refundable unless the course is dropped within two weeks of the course start date). Students and parents must recognize that these courses are far more demanding than regular courses, even the college preparatory courses. Students must sit for the mandatory national test that determines if the student is awarded college credit for the course.

Students who meet the criteria for inclusion in Advanced Placement courses are identified by using a rubric that is comprised of the following:

- the student's national standardized test score results
- College Board AP potential
- the student's GPA
- a teacher's recommendation

Transportation

Glades Day School offers transportation to and from campus on a fleet of school owned buses and vans. This service is provided to and from Clewiston, Canal Point, Pahokee and Wellington. Transportation is available from various locations in the morning and afternoons. Bus routes are determined at the beginning of the school year based on student needs.

Bus Rider Safety Regulations

1. The school bus is considered an extension of the classroom and student behavior as outlined in the Student Handbook is expected. The driver has complete authority in the bus from the moment it leaves the school until it returns. This applies to all bus transportation, including but not limited to routes, athletics, field trips, etc. Respect for the driver is expected.
2. The driver may, at any time, arrange the seating of students and assign seats.
3. No student is permitted on board any GDS vehicle unless the driver is present. Once the student boards the school bus, the student must remain on the bus until released by the bus driver.
4. Students will be expected to follow these bus safety rules:
 - a. **Sit properly and face forward** - Students are required to remain seated while the bus is in motion and refrain from obstructing aisles with their legs, feet, books, backpacks, etc.
 - b. **Wear the seat belt in the approved manner whenever the bus is in motion.**

- c. **Keep hands, feet and personal items confined to oneself** – Respect for the rights and property of other students, as well as for the school's property, is expected. Students may not put any part of their body out of the window at any time.
 - d. **Talk quietly** – Shouting out of a window or excessive music/noise within the bus is not permitted. Electronic volume must be low or used with ear-buds. Profanity is prohibited at all times, in all forms.
5. Students must refrain from sitting in the driver's seat, tampering with bus controls and equipment (including unauthorized opening or closing of bus doors), tampering with emergency exits, and committing any act that might endanger other people.
 6. No student may sit in the front, passenger seat of a school van.
 7. The bus will not stop at any point other than scheduled stops to load or discharge students. If a student misses the bus at their assigned stop, they may meet it at the next scheduled stop.
 8. Students will be discharged from the bus only at their designated stop unless prior permission and arrangements have been made through the Main Office. This includes friends occasionally riding home with daily bus riders. (There is a fee and parental permission is required.)
 9. Students are required to be at the bus stop five minutes prior to their published pick up time and at the proper place for boarding the bus. The driver authorized to retrieve a Lower School student in the afternoon shall be at the drop off point five minutes before the published stop time.
 10. The bus is to be kept clean and a trash receptacle is provided. Throwing objects in or out of a bus window is forbidden.
 11. The seating capacity of the bus is regulated by Florida law. At no time will the driver permit more than the lawful capacity.
 12. In the event of an accident, all passengers must remain on site until responding authorities approve dismissal.

Activity Van: Any student that is not a registered user of the morning and/or afternoon buses, may use the activities van at a cost of \$10.00 per trip. Registered monthly users are allowed the use of the activities van at no additional charge.

College Days

It is recommended that students visit college campuses during their summer break. College days are for four-year colleges and universities only. Seniors are allowed two days and juniors are allowed three days. Permission to take a college day must be approved through the Student Services Office. No visits are allowed after April 30. An exception to this would be senior orientation preview days.

Dropping/Adding Classes

With the permission of an administrator, students may add or drop classes without penalty through the first two weeks of the semester. Any change in schedule after the first two weeks requires approval by the Administration and the student's teachers. Classes dropped after the fourth week of the semester may result in a failing grade.

Work Release

Seniors who wish to be released from school to work, may be released as long as he/she is on track to fulfill graduation requirements and has submitted a Senior Work Release and Schedule Change Request form with approval from the guidance office. Students participating in sports must be on campus for the entire school day.

Dual Enrollment

Dual enrollment requests are processed on an individual basis and must be approved by the Guidance Department and the school Administration.

Students wishing to be dually enrolled must meet the following requirements:

- Must have completed his/her freshmen year
- Must have and maintain a high school GPA of at least 3.0

If a student earns a D or F in a Dual Enrollment course, the student will be disqualified from the program.

Guidance and Academic Advisors

The Guidance Counselors will assist all Upper School students in the developmental processes in intellectual, social and personal growth and assist students in making informed and individually appropriate social, educational and vocational choices.

Scholarships

Information regarding scholarships is available on RenWeb, the Upper School Guidance page of the school's website, and daily student announcements.

To apply for the Bright Futures Scholarship, the student must go online to www.FloridaStudentFinancialAid.org. This also allows the Florida Department of Education to evaluate the student's transcript for eligibility for select state grants and other state scholarships. Eligibility for the Bright Futures Scholarship is based solely on core credits as determined by the Florida Department of Education.

Tutoring

All teachers are available for after school tutoring until 3:15pm. Please schedule this with your child's individual teacher. Private tutoring may be arranged with the individual teacher for a fee.

FINANCE

Tuition

The educational program offered at Glades Day School is funded on a strict operating budget. For the school to maintain fiscal stability, it is important that each family responsibly remit tuition payments on a timely basis.

Payment Plans

1. One-time payment plan billed on or before July 1st
2. Two-time payment plan billed on or before July 1st and January 1st
3. Twelve month payment plan begins in July and will be processed on the 5th or the 20th of each month (**except for seniors who are set up on an 11-month payment plan and will be processed only on the 5th of each month**).

Payment plans 1 and 2 may be paid directly to the school or through FACTS. However, you must setup a payment plan in FACTS, which will generate an invoice reminder. Please note, if your payment is made directly to the school and is not paid in full by August 1st, you may be required to sign up for the 12-month payment plan (except for seniors who will be on an 11-month plan).

Payment plan 3 must be paid through FACTS.

FACTS Fees: One-time payment plan	–	No Fee
Two-time payment plan	–	\$10.00 Annual Fee
Monthly payment plan	–	\$38.00 Annual Fee

FACTS payment adjustments must be done through the Finance Office. FACTS will assess its fee to your account for any NSF returns.

Payment plans do not include any additional fees once the agreement has been signed. The responsible party will be billed for any additional fees separately through RenWeb (i.e. after school care, activity bus fees, athletic fees, class fees, testing fees, Prom fees, etc.).

All payments are considered late if not paid within 30-days of the billed date as specified by payment plan dates. At the point an account becomes 30 days in arrears, families will be charged a late fee of \$25 per month, which will be added to their account. In addition, families will not be issued or have access to report cards, transcripts, RenWeb or diploma, nor will they be allowed on any grade-level trip or participate in commencement exercises including Class Night and Baccalaureate. Excluded from this are the interim transcripts required for college applications. In addition, students may not be permitted to try-out for a sport (including Cheerleading) if they have an outstanding balance. Once an account becomes 90 days in arrears, the student may not be able to attend class. The past due amount must be paid in full in order for the student to return to class. All records, report cards and transcripts remain the property of Glades Day School (GDS) until the account has been brought current or paid in full.

Students may enroll, but may not be allowed to start school in August until all prior year balances have been satisfied. If a student withdraws or is administratively discharged for any reason, the

parent/guardian is responsible for the entire semester's tuition. Tuition for students who enter mid-year is prorated.

Upon failure to comply with the financial agreement, parents may receive a letter from the school stating that all outstanding balances must be paid for the student(s) to continue in school. The Finance Office may make aggressive use of small claims court, collection agencies and other strategies on any accounts that are not satisfied by the above policies.

Enrollment Fee

Each student is charged a non-refundable Enrollment Fee. Enrollment will not be accepted for students with an outstanding balance at another school.

Return Checks

A \$35 fee will be charged to your account for any returned checks or ACH. After two returned checks or ACH, all monies paid to the school must be in cash, certified check, or money order.

Refund Policy

Glades Day School does not offer a refund on any tuition or fees. If for any reason an enrolled student fails to attend or to continue in attendance at GDS for the contracted school year, 100% of the tuition for the current semester remains due and must be paid in full.

Class Fees

Class fees are billed August 1st. Refer to the table below:

K3 – K4	K5 – 12th Grade
\$20.00	\$30.00

Financial Aid Option

Financial Aid at Glades Day School is funded by tuition dollars and is awarded to families who demonstrate a financial need as evaluated by Financial Aid for School Tuition (FAST) and may not be awarded if an account is 60 days or more past due. In seeking financial assistance, families should follow the following steps:

- Complete full application for admission to Glades Day School and be accepted. Returning families must also complete the reenrollment process for GDS.
- Complete the FAST application for financial assistance online and submit all required documentation. Returning families must resubmit their application for financial assistance. **Note: Assessments cannot be completed without submitting your current tax return to FAST.**

GDS is dedicated to helping families who desire and need financial assistance. However, the family is completely responsible for meeting all deadlines and completing all forms required for financial aid.

To apply, click on the following link: [FAST Application](#). Note: FAST has a processing fee which is non-refundable. Should you have any questions, FAST's phone number is: 1-877-326-3278 and their email address is help@ismfast.com. Once your application has been submitted, your information will be calculated and the recommended award made available to the school. Financial awards will vary from family to family and will be based on need and circumstances and will be awarded based on the availability of financial aid funds. The parent or guardian is responsible for the remaining tuition balance.

Once a financial aid award decision has been made, a confidentiality agreement will be sent notifying you of the award amount. At which time, you must sign and return the agreement within seven days.

The conditions of this Award are:

1. You must adhere to the Finance Policy.
2. You must keep the Financial Aid Award and all supporting documents confidential.
3. Registration fees must be paid before financial aid is applied to your account.

If, in the sole discretion of the Financial Aid Committee, the above conditions are not met during the school year in which the Award is made, Glades Day School reserves the right to withdraw the Financial Aid Award. Upon such event occurring, you will be responsible to repay the Financial Aid Award in accordance with the tuition payment option selected. For instance, if tuition has been paid in full, the withdrawn Financial Aid Award shall be repaid immediately. If installment payments are being made, you shall repay, in equal installments, the withdrawn Financial Aid Award over the number of installment periods remaining.

GDS will have three award notification dates: April 15, May 15 and June 15. Your award date will be based on the date GDS receives your assessment report from FAST. Please be sure to complete your application and submit all required documentation so you don't miss the June 1st deadline. Families, who enroll mid-year, must submit and finalize their FAST application within 30 days of admission.

GDS award notifications will be sent based on the following schedule:

GDS receives FAST recommendation by:	Award Notification
April 1 st	April 15 th
April 2 nd – May 1 st	May 15 th
May 2 nd – June 1 st	June 15 th

FAST assistance is not guaranteed for all those who apply. The application must be completed each year with the knowledge that prior year's award amounts are not guaranteed or considered in future year's calculations.

Scholarship Opportunities

1. **McKay Scholarship** - Eligibility for the McKay Scholarship is determined by the State of Florida. To qualify for the scholarship, the student must be transferring from a Florida public school with a current IEP or 504 Plan. Applying for the McKay Scholarship Program is the responsibility of the parents. All application deadlines for the scholarship are posted on the website at www.floridaschoolchoice.org. (Note: the deadlines for filing a parental intent and private school enrollment are statutory deadlines – McKay will not make exceptions if these deadlines are missed. Please ensure that your child has been accepted by Glades Day by the private school enrollment deadline date.) The funded amount varies from student to student (determined by the state). The parent or guardian is responsible for the tuition balance.
2. **Step Up for Students (SUFS)** - SUFS is an income-based scholarship with eligibility determined by the state. Parents may apply and check eligibility requirements online at www.stepupforstudents.com. It is the parent's responsibility to notify the school of their eligibility for SUFS. Any tuition or fees not covered by the scholarship is the responsibility of

the parent or guardian. Families receiving SUFS must reapply for the scholarship each year and are responsible for notifying the school concerning continued eligibility.

3. **Voluntary Prekindergarten (VPK)** - VPK is a legislatively mandate program designed to prepare every 4 year old in Florida for kindergarten and build the foundation for their educational success. For additional information and to apply, visit the website www.familycentral.org. Any tuition or fees not covered by the scholarship are the responsibility of the parent or guardian.

Field Trips

To participate in field trips, students are to finalize their payment no later than two days before the trip. If the permission slip or the payment is not made by this deadline, the student will not be able to attend.

Consequences of Non-payment

- Transcripts will be held with the exception of interim transcripts required for college applications during the senior year
- Seniors will not be awarded their diploma until all financial obligations have been satisfied
- Students may not be able to participate in extra-curricular activities
- Students may register, but may not start the new school year until the account is brought up to date

Student Withdrawal or Expulsion

If a student withdraws or is administratively discharged for any reason during a semester, the parent/guardian will be responsible for that entire semester's tuition.

Collections

The Finance Director will make aggressive use of small claims court, collection agencies, and other strategies on any accounts that are not satisfied by the above policies.

ATTENDANCE

Good attendance is closely related to achievement, and students at GDS have a responsibility to attend classes regularly and on time. Regular attendance means attending school every school day, including every school period, for the entire class time, for each course in which a student is enrolled. Students may not be counted in attendance while away from the school on a school day, unless they are engaged in an educational activity which constitutes a part of the school-approved instructional program. Educational experiences lost during an absence are irretrievable because make-up work seldom duplicates classroom interaction. Parents can help by making school attendance a top priority. It is the parents' responsibility to make sure their child is on time and in attendance each day. Students must turn in homework assignments as required by each teacher. If missing assignments become a problem, parents will be notified. Late homework limits will be set by individual instructors.

Absences and Participation in School Activities

In order to participate in after-school practices, events and competitions, students must be present for 4th, 5th, 6th, and 7th periods. The only exception to this is an absence that is a result of a doctor's appointment, funeral, school trip or college day. Seniors who check out for work release are exempt. Other circumstances may be considered at the discretion of the Administration.

Absentee Limits and Consequences

Parent notification is required for every absence, and parents must email the front office before 8:00am on the day of the absence. If a parent does not email, the absence will be marked unexcused. If a student is not accounted for by this time, the school will notify the parent. This includes both full-day and

partial-day absences. If time away from school is preplanned, please give the school as much lead time as is possible.

If a Lower School student is absent for 10 days in any semester or 20 days for the year, the student may be subject to disciplinary action, retention, or termination of enrollment. If an Upper School student is absent for 10 periods in any semester or 20 periods for the year in any class (unless for a school activity or an absence approved by the Administration) the student may be subject to disciplinary action, loss of course credit, retention, or termination of enrollment. By state law, Florida statute 232.165, the school is required to notify the state of any student with a Florida driver's license who misses 11 consecutive days or 20 days cumulative of school. The student's driver's license may be suspended by the state. McKay Scholarship students and Step Up For Students recipients who fail to abide by the policy may lose their scholarship permanently.

Early Release of a Student

Parents wishing to check out their child prior to the end of the school day are to provide the office with permission via email. Parents will not be allowed to check their student out over the phone, unless it is an emergency. If a student checks out before lunch, they must have a doctor's note or parent's email to check back in. Any student checking in or out must report to the front office.

For liability reasons, students who leave the campus to assist teachers or the Administration must have permission via email from a parent.

Make-Up Work

An absence that is known in advance should be cleared through the office. Parents may request make-up work in advance of the absence if the school is given at least one-day notice. It is the responsibility of the student to contact the teacher(s) concerning any work missed as a result of student absence. Any work missed during an absence(s) not related to truancy is to be made up in a timely manner (as determined by the individual teacher). Any work not completed in a timely manner (as determined by the individual teacher) will receive a zero.

Students are responsible for any work missed as a result of a field trip, a partial absence due to a doctor's appointment, or an absence due to an organizational trip. Any additional time given for completion of the assignment is solely at the teacher's discretion. Parents and students are to utilize RenWeb or email, as well as call the teacher directly to obtain information involving their child's missed work. Only work missed due to an excused absence will be allowed to be made up.

Perfect Attendance

Perfect attendance awards will be given to Lower School students if there is no record of tardiness and/or early dismissal.

Truancy

A student who has fifteen (15) unexcused absences within ninety (90) calendar days with or without the knowledge or consent of the student's parent or guardian, is subject to compulsory school attendance, and is not exempted from compulsory attendance under state laws and regulations. (*Compulsory attendance refers to minors who are at least six years old who are required by law to attend school regularly unless an exemption or exception is applicable under Chapter 1003 Florida Statute.)

Such a student must have been the subject of the activities specified in Florida Statute 1003.26 and 1003.27(3), without resultant successful remediation of the truancy problem before being dealt with as a child in need of services according to the provision of Chapter 984 Florida Statute. In such a situation,

Glades Day School will determine eligibility for academic accommodations, and make decisions regarding the student's academics on an individual basis.

An absence will be excused if it is for one of the following reasons:

1. Illness or injury. Students must be free of all symptoms (fever, vomiting, diarrhea, etc.) for 24 hours before returning
2. Medical Appointment. Please schedule medical and dental appointments outside of school hours. Please advise the front office by 8:00am if you are signing your child out during the day
3. Family emergencies or bereavement
4. Court appearance

Skipping is automatically considered unexcused. A student will not be allowed to make-up work for an unexcused absence related to truancy. Disciplinary action will be taken.

VPK Program

Parents of PreK-4 students participating in the VPK Program are required to sign a monthly verification form (long form). If a student loses his or her VPK voucher due to lack of attendance, the parents will be financially responsible for the balance. VPK dismissal is at 11:30am. Students not picked up on time will be assessed a fee. All parents must adhere to the VPK guidelines.

TARDINESS

Tardies are disruptive to the educational process and have an adverse effect on the student's learning.

Tardy to School

If a student is tardy to school, he or she must report directly to the office and obtain a tardy slip. Students are granted three tardies to school without penalty each quarter. After a student has accumulated three tardies to school, the student will be assigned demerits. If the student is tardy to school due to a medical appointment, a doctor's note must be provided that day in order to avoid demerits.

Upper School: No student should be allowed into a 1st period class without a tardy slip from the Main Office. A student who is more than 20 minutes late to first period is considered absent.

Lower School: If a student is late, he/she is to report to the office for a tardy slip and someone from the office will escort the student to the classroom.

Tardy to Class (Periods 2 through 7)

If a student is tardy to class without a pass from a teacher, administrator, or the main office, the teacher may assign demerits. Students who are experiencing a problem (bathroom issues, locker, etc.) must report to their next class on time and ask permission to leave. Otherwise, they will be marked tardy when they arrive to class.

Morals and Ethics

The Board of Trustees believes it is essential that Glades Day School be safe and orderly to provide an environment that fosters learning and high academic achievement. Further, the Board believes the school should provide an environment that is without violence, drug-free, tobacco-free, and protects students' health, safety and civil rights. This belief assumes that all stakeholders, including students and parents, will take a personal responsibility in achieving this goal.

- A RenWeb notification will be used to inform parents of disciplinary situations at school. The email, sent via RenWeb, will indicate whether the student received a warning (although all warnings are not recorded in RenWeb), demerit or another consequence determined by the Administration

The decision to assign a student to an SWD will be at the discretion of the Head of School or her designee. The SWD will be supervised by an employee of Glades Day School who will be paid for their time.

Students assigned to an SWD will be required to perform manual labor for the two-hour period. Some examples of the type of work include picking up trash on campus, cleaning school vehicles, and cleaning classrooms.

Payment Schedule for SWDs:

- 1st time: \$30.00 for the 2 hour SWD
- 2nd time: \$50.00 for the 2 hour SWD
- 3rd time: \$100.00 for the 2 hour SWD

- Refusing to obey the staff assigned to supervise the SWD may result in an out-of-school suspension.

Suspensions

Out-of-school suspension (OSS) shall be defined as the removal of a student from instruction and school sponsored activities for a maximum of 10 days as a disciplinary measure. Students are remanded to the custody of their parents and may find missed work via RenWeb.

In-school suspension (ISS) shall be defined as the removal of a student from the regular school program and placement in the in-school-supervision area as a disciplinary measure. A \$75 fee will be assessed to your account per day of ISS.

OSS or ISS may be assigned for a serious breach of conduct including, but not limited to, willful disobedience, open defiance of school authority, use of profane or obscene language, and/or such other misconduct determined to be disruptive to the school and/or to the learning environment. Only the Head of School or her designee has the authority to suspend a child from attendance either in school or in a given class.

In cases of serious offenses that may result in either an OSS or ISS, a good faith attempt is made to contact the parent by phone on the day of the suspension. Actual suspension may begin the same day or the following day. The incident will be documented through RenWeb.

A student who has been removed from regular daily school attendance is denied the privilege of participating in any extracurricular activities, as well as attending these activities on campus. Students should be prepared to take missed quizzes, tests, or exams the day they return. Any projects or papers due while the student is suspended are due upon returning to school. Additionally, for any OSS or ISS, three points will be deducted from the nine weeks' grade by the academic advisor.

Continued violations of school rules may result in expulsion from Glades Day School.

ZERO TOLERANCE

Although education and prevention are the preferred means of achieving safe schools, there must be a clear statement of policy that violence and drugs in school will not be permitted. Therefore, the Board of Trustees (BOT) hereby implements a zero tolerance policy against school violence, crime, and the use or possession of tobacco products, controlled substances, or weapons as part of a comprehensive approach to controlling school violence and crime.

The following offenses, without limitation, are listed in the Student Handbook to ensure that students found to have committed the offenses on school property, school sponsored transportation, or during a school sponsored activity shall receive the most severe consequences provided for by BOT Zero Tolerance Policy. This is not an exclusive list.

- Any student found guilty of maliciously or intentionally committing arson or activating a false fire alarm may be expelled from GDS
- A student shall not threaten, conspire, cause or attempt to cause physical abuse to a fellow student or any other individual. Violence will not be tolerated under any circumstances
- False bomb threats or bombs or bomb replicas are not to be made. Any such "bomb threat" is a felony under Florida Law and all students determined to have been involved in such an illegal act shall be prosecuted as well as expelled by the school
- Students shall not bully. "Bullying" is defined as systematically and chronically inflicting physical hurt or psychological distress, and includes unwanted and repeated written, verbal, or physical behavior
Examples of bullying include, but are not limited to, the following:
 - a. Making threatening, insulting, or dehumanizing gestures,

- b. Teasing, social exclusion, stalking, threats, intimidation, violence, public humiliation, physical theft sexual/racial/religious harassment, or destruction of property, and

Glades Day School reserves the right to conduct a search for drugs, tobacco products, weapons or alcohol.

USE OF TECHNOLOGY

Internet Use

All Internet resources accessible through the school's computers are provided equally to all users with the understanding that it is the user's responsibility to demonstrate judgment, respect for others, and appropriate conduct while using the school's facilities.

Acceptable Use of Technology

- Students may utilize devices when approved by teachers
- Students will practice safe and appropriate internet conduct to protect themselves and the reputation of GDS. This would include, but is not limited to, the following tips:
 - a. Avoid publishing personal information of yourself or others (names, addresses, email addresses, phone numbers, etc.)
 - b. Never post anything you would not like your parents, teachers, or future employers to see
 - c. Don't open messages or attachments from individuals you do not know

- Students will exhibit respect to others by not publishing or posting material that would bully, degrade, harass or otherwise cause harm to another person
- Students are not permitted to conduct audio video recordings on campus (including the recording of classes and classroom activities) without teacher approval

Unacceptable Use of Computers

- Use that violates the law or encourages others to violate the law: transmitting offensive or harassing messages; offering the sale of illegal substances; viewing or transmitting pornography; transmitting copyrighted materials
- Use that causes harm to others or damage to their property: defamation of character; uploading a virus or other harmful program; hacking activities; any unauthorized access to the school's information systems
- Use that jeopardizes the security of access to the school's networks: sharing a user's password; impersonating another user; using a personal program; altering the school's computer settings; damaging or modifying the school's hardware or software
- Use that compromises the safety and security of students when using email, chat rooms and other electronic communications: giving out private information, credit card information, or social security numbers; arranging face-to-face meetings over the internet

Technology Protection Measures: Filtering software and other technology has been installed on the school's network to prevent the accessing of visual depictions that are obscene, child pornography or harmful to minors.

Filtering software is not foolproof. It diminishes the likelihood that a user will inadvertently retrieve text or images that are offensive, but does not eliminate the possibility.

Disclaimers

- The school disclaims any warrant as to the internet information's accuracy, timeliness, authoritativeness, usefulness, or fitness for a particular purpose.
- The school assumes no liability for damages related to the use of information accessed over the school's network.
- The school assumes no liability for damages related to the operation of, or failure of, the filtering software.
- The school is not responsible for the damage to a user's disk or computer or the loss of data due to a virus that may be downloaded on the school's system.

A violation of the school's Internet policy is viewed as a violation of the rules set forth in the Student Handbook. The student will face disciplinary action, as well as a loss of the privilege of Internet use.

Cell Phone Use

Lower School students are not allowed to use cell phones during the school day. Upper School students may use their cell phones during break and lunch only. All other times of the day, cell phones must be silent and out of sight. Violations of the cell phone policy have created a serious disruption in school due to potential cheating, harassment, inappropriate use of the camera, and class distraction. If the cell phone is seen or heard, it is in violation of the cell phone policy. Phones will be collected for violation of this policy. Repeated violations will result in serious consequences due to persistent disobedience and defiant attitude.

DRESS CODE/UNIFORM

Students are to be dressed appropriately at all times. The school Administration will decide whether a student's attire is suitable and reserves the right to send a student home to change, if necessary. Be reminded, the first thing that distinguishes a private school from a public school is the uniformity and neatness of students' attire. When traveling and/or representing Glades Day School, students are expected to abide by the dress code.

Administration reserves the right to search student lockers and personal belongings at any time.

Fundraising

All juniors are responsible for the cost of the Prom, whether they plan to attend or not. This amount covers the cost of both junior and senior prom. All monies have to be paid by February 1st. Juniors who enter Glades Day School after the fundraising events will be assessed a prorated fee.

The school offers the following opportunities for the student to earn money so as to offset the out of pocket expense to parents:

Senior funds are not to be used to fund any activity or trip engaged in by seniors after graduation.

Birthday celebrations at school must be pre-approved by the classroom teacher and are limited to the lunch hour. Only cakes / cupcakes and drinks are permitted.

ATHLETICS

This section of the handbook is designed to inform you about our school’s athletic program, its rules, regulations, responsibilities, and the many opportunities that are available on our campus to develop your interests and abilities in this area.

The philosophy of Glades Day School’s Athletic Program is to enhance and realize the physical potential of the body by teaching discipline, cooperation, teamwork, sportsmanship, and respect for coaches, teachers, teammates, and opponents. Our goal is to attain this philosophy by creating an atmosphere

conducive to competitive balance while simultaneously developing well-rounded student athletes. To accomplish this philosophy, we must follow criteria derived from hard work, consistency and practice.

Purpose of Sports

The purpose of the sports program at Glades Day is to provide an opportunity to equip each student participant for life through lessons taught in preparation, sportsmanship, leadership, goal setting and teamwork.

Eligibility and Requirements for Participation

- In addition to academic standards required by the Florida High School Athletic Association, athletes and cheerleaders must meet the standards of Glades Day School pertaining to academic achievement and conduct.
- Students have 4 years of eligibility once they enter the 9th grade and must maintain a 2.0 cumulative average of all courses taken in grades 9-12. GPAs are checked at the end of each semester. Any student who turns 19 before Sept. 1 is ineligible to play due to age.
- All students participating in athletic activities, including off-season training programs, must have a current physical (EL2) and consent form (EL3) on file.
- Cheerleaders must be enrolled prior to tryouts for the upcoming year.
- Students participating in summer sporting activities must be enrolled for the upcoming school year prior to participation.

Appeals to FHSAA Concerning Student Eligibility

The parent of a student who has been ruled ineligible for athletic competition may request an appeal or a waiver of the ruling of the FHSAA by contacting the Athletic Directors. Working with the parents, the Athletic Directors will submit an appeal/request to the Sectional Appeals Committee of the FHSAA. All costs incurred by the appeal/ request from the FHSAA will be the responsibility of the parent.

Sportsmanship

FHSAA Sportsmanship Message: Sportsmanship is having pride in your school, your team and yourself. Sportsmanship is respect for the game and those who play it. The Florida High School Athletic Association and its corporate partners remind you to take on the responsibility of good sportsmanship. Play strong. Play hard. Play fair.

Spectators are to behave in a sportsmanship like manner towards opponents, coaches, players and officials. They are to refrain from showing disrespect in any way to anyone – especially officials.

Spectator behavior that will not be tolerated includes, but is not limited to, abusive cheering, booing, excessive use of noisemakers, use of profane or improper language, ridicule of the opposing team and/or throwing objects. Violators who exhibit unacceptable behavior may be asked to leave.

Middle School (6th – 8th), Junior High (6th – 9th), and Junior Varsity (6th – 11th) Programs

The purpose of the middle school, junior high, and junior varsity programs is to convey the many aspects of the respective sports, and not to focus only on winning. A concentrated effort will be made to develop all athletes. This will increase the depth on our teams and increase the balance of skills at the varsity level.

Varsity Programs (9th – 12th)

The purpose of the varsity programs is slightly different from that of the middle school and junior varsity programs. The varsity programs will continue to focus on the teaching and practicing of basic fundamentals. This will be done by giving all athletes (the skilled and less-skilled) equal time, as much as it is possible. However, game participation is dependent upon each individual game and the circumstances surrounding said game, including but not limited to the possible outcome of the contest. Whenever possible, all athletes should have the opportunity for quality playing time. At times, this is a difficult task to accomplish, since winning (in order to qualify for the playoffs) takes on a more significant role at the varsity level.

Athletes

- Always be respectful of the coach's authority and position
- Be on time for practices
- Maintain a 2.0 GPA to remain eligible
- Work hard and maintain a good attitude during practices and games
- Attendance, attitude, academics and performance may determine playing time
- Each athlete will have as much playing time as possible, pending the circumstances surrounding each individual contest
- Substitutions are a part of the game and are not an affront to anyone's playing ability

Team Size and Member Selection

Playing sports at Glades Day School, as in all schools in the Florida High School Athletic Association, is a privilege not a right. However, Glades Day School endeavors to allow every student the opportunity to play sports. Each sport and team level may have a different number of players. The size of each team is determined by the number of uniforms available, transportation requirements and the amount of playing time available. In the case of varsity teams, team size is also determined by the number of players allowed to play in the FHSAA playoffs.

Selection of players for a team will be determined by the head coach or in conjunction with his/her coaching staff. The player determinations will be based on, but not limited to, academic grades, classroom behavior, dependability, ability to work with the team, sportsmanship and athletic ability.

Funding of Sports Programs

Tuition dollars do not fund the sports programs at Glades Day School. The Fall Festival Cash Draw-Down, admission to sporting events, donations, and the Booster Club concession stand generate the funds for the athletic program. Parents of athletes are expected to work the concession stand.

Multiple Sports Participation

Any student wishing to participate in additional sports programs must first complete the original sport. The Athletic Director and the coaches involved can make exceptions to this policy. The coach of the first team is allowed to determine limits placed on practice and participation of the student in the second sport. Students who quit a sport during the season (unless due to extenuating circumstances) are not allowed to participate in a second sport until the end of the season of the first sport.

Playing Time and Issues with Coaching

Participating in athletics is a privilege and not a right; however, every effort will be made to provide all students with a fair opportunity for involvement in our athletic program. Any concern regarding a coach's philosophy is to be handled through the office of the Athletic Directors; a meeting with the coach and parents will be scheduled under the direction of the A.D.

Physical Therapy

Athletes requiring physical therapy during the school day are to schedule the appointments during physical education or weightlifting classes.

RESPONSIBILITIES OF PARENTS

Booster Club

- Membership in the Booster Club is automatic for all parents who have children participating on a school-sponsored team; membership also includes the faithful followers of Glades Day School Gators who continue to actively support the athletic program years after their children and grandchildren have graduated.
- The purpose of the Booster Club is to support and help meet the needs of students and coaches in all sports offered at Glades Day School.
- The likelihood of a successful athletic season is greatly enhanced when there is parental involvement in the program.
- Present responsibilities of the Booster Club include but are not limited to the following: Cash-Down-Draw Raffle Sales, fundraising dinners, and working concessions at home games.
- The Booster Club parents are in charge of the individual signs placed in the courtyard if a school athletic team makes the play-offs; this is done at the expense of the parents of the players.
- The Booster Club parents are in charge of painting footballs, megaphones etc. in driveways and the school parking lot during the play-off games.

Team Dinners

Varsity Football

- Historically, the varsity football parents arrange a pre-game meal for the players, coaches, and managers on Friday after school in the cafeteria; players are expected to contribute monetarily for their share of the meals as determined by the parents in charge; arrangements for the preparation of the meals, setup and cleanup is at the discretion of the parents in charge.

- Historically, the varsity football players, varsity cheerleaders, coaches, and managers are fed on some Tuesday nights. These meals are prepared and arranged by parents (and sometimes other Boosters) who donate their time and money to feeding the team. These dinners may be held on site or at private residences.

Other Sports

- Team meals may be scheduled during the school day; funding, arrangements, setup and cleanup is the responsibility of the team parents.
- Varsity teams are allowed 1 (one) meal a month; Junior Varsity, Junior High and Middle School teams are allowed 1 (meal) a season.
- It is the responsibility of the coach to complete an activity scheduler to get approval of the date and the use of the Gator Room.
- It is the responsibility of the coach to notify the cafeteria staff concerning the scheduling of team lunches.
- Additional lunches may be added during post-season play.

Senior Athletes

- One contest is chosen each season to honor the senior athletes in that sport.
- The school invites the parents; the parents and the athlete are introduced at the game with the parents receiving a yellow rose.
- Any decoration acknowledging the seniors individually by name is the responsibility of the senior parents.

SPORTS AWARDS GUIDELINES

At the end of an athletic season, the athletes and their sports are honored at an awards program. All parents are asked to bring a finger food to the program. The decoration of the stage area is the responsibility of the senior parents in those sports being acknowledged at the program.

Student Expectations

- Athletes are to dress appropriately for an awards ceremony:
Boys – dress slacks, dress shirt with collar, tucked in shirt, belt and dress shoes
Girls – Attire that is not too short, too revealing, or too tight
- Sit in assigned areas for the duration of the program
- Remain quiet and respectful for the duration of the program
- Refrain from hollering, hooting, yelling, making noises, whistling, etc.
- No hats, bandanas, or sunglasses are to be worn during the sports awards ceremony
- Behave in a manner that honors the integrity of our program

THE POLICIES incorporated in this Handbook cover many, but not all, circumstances that might arise. Other administrative judgments, guidelines, and procedures will be necessary to handle any situation not delineated on these pages.
