$1000 and $1500 individual scholarships will be awarded to students selected by our Scholarship Committee. Scholarship recipients are selected on an objective and competitive basis considering academic and non-academic factors with an emphasis on demonstrated financial need, unless otherwise noted.

- In addition to the $1000 and $1500 scholarships, a Four-Year Scholarship is available from Florida Atlantic University, Lynn University, Palm Beach State College and FAMU. Please help us spread the word about these amazing scholarship opportunities. The separate applications for each school are included in the Scholarship Application portion of this packet. The students applying for the FAU, Lynn University, and PBSC and FAMU Scholarships must be accepted to attend the school. In particular, students applying for the FAMU scholarship must have applied and been accepted by November 1, 2019. Students not planning to attend these schools do not need to fill out those applications.

- We also have a $1000 for a student planning on attending the University of Michigan at Ann Arbor. If you have a student(s) planning to apply and attend this university please be sure to have them complete the scholarship application and make a note of this.

Scholarship applicants must be students who have been selected to attend the Dinner. Every student attending the dinner does not have to apply for a scholarship if they feel they do not meet our criteria. Recipients of the scholarships will be informed prior to the dinner through communication with the school’s guidance department.

**DETERMINATION OF FINANCIAL NEED**
A need analysis is conducted considering the total cost of education, the expected parent/guardian and/or student contribution, and other grant and loan funds awarded to the student. Scholarship finalists may be contacted and asked to provide information to the Scholastic Achievement Foundation on any other grants or loans by schools and other funding sources awarded to or pending for the student. This information will be held in the strictest confidence.

**PAYMENT OF AWARDS**
Payments for the $1000 and $1500 Scholarships are forwarded in equal disbursements. Students will have two years following the award of the scholarship to request the funds. Proof of full time enrollment at the college or university will be required before disbursement. Payment of the Four-Year Scholarships will be determined by the awarding university.
STUDENT RECIPIENT EXPECTATIONS
Upon being selected and notified of receiving of a scholarship, the individual student must write a thank you letter to the donor of their scholarship within one week. They will be given the contact information to facilitate this. They will also need to send a copy to the Scholastic Achievement Foundation. We feel it is important for the students to recognize the generosity of the scholarship donor.

APPLICATION PROCESS
To apply for a scholarship, participants must submit the attached application and enclose the requested documentation and forms. An application without the required attachments will be considered incomplete and not reviewed. Completed application must be postmarked by February 7, 2020.
